Cost-Effective Designs, Superior Workmanship, Satisfaction Guaranteed

Heavy-Duty Industrial Sewing

- Our experienced industrial sewers are some of the fastest and most expert in the region, delivering cost-effective designs and production, and consistent, quality workmanship.

Best-choice Materials and Fabrics

- Poly, Mesh and Canvas Fabrics from Leading Manufacturers:
 - Cotton Duck, Nylon Mesh, Polyester Mesh, PVC Mesh, Vinyl Coated, Aluminized Fiber Glass and High-Temperature Silica Fabrics
 - Fire, Water and Sun-Resistant Fabrics
- Heavy-duty and reliable threads, bindings and fasteners

Fast, Reliable Repairs

- We patch, stitch, seal, reinforce, re-grommet or even, if necessary, remake your product and get it back to you on time and on budget.

Prototype Design

- Even if it's never been made before, our innovative design team can develop and fabricate specialized solutions for your unique and specific needs.

Responsive Customer Service

- By phone, fax or email ensuring on-time and on-budget delivery of your order

Examples of What We Can Create for You:

- Filters, bags and purifiers
- Industrial curtains and shades
- Strip doors for freezers and grocers
- All types and sizes of covers and cases for equipment
- Almost anything made from fabric requiring hand craftsmanship

"Some of the best workmanship I've seen." - Justin B.
