## Heavy-Duty Needs Demand Heavy-Duty Expertise

From tarps and covers for your trucks and trailers...to landscaping tarps for your grounds and property...if it's fabric and requires handcrafting, we've got you covered.

Since 1890, we've been making and repairing awnings, tarps and covers for businesses, manufacturers and industrial customers across the region.

We offer you:

### Guaranteed Satisfaction

- The strongest, most durable materials; accurate measurement; skillful production and assembly; expert installation by bonded and insured professionals; your satisfaction guaranteed.

### Responsive Customer Service

- By phone, fax or email ensuring on-time and on-budget delivery of your order.

### Heavy-Duty Industrial Sewing

- Our industrial sewers are some of the fastest, most experienced in the region and use only best-choice thread, fabric, fasteners, bindings and quality straps and D rings.

### Professional Graphics and Application

- Digital, paint, vinyl, eradication, appliqué and more.

## For Trucks and Vehicles of All Shapes and Sizes

From dump trucks, to flatbeds, to pickups, we custom craft and repair tarps and covers for all types of vehicles. We are particularly geared to support the unique requirements of the trucking industry, making or repairing the high quality, heavy-duty tarps needed to withstand the harsh conditions of long-distance travel and to protect the loads being hauled and delivered. We make and repair:

- Flat, fitted and roll-off tarps
- Steelhauler tarps
- Asphalt tarps
- Sand, gravel and trash tarps
- Lumber and load covers
- Cab covers and enclosures
- RV, auto and cycle covers
- And more

## Tarps and Tents for Farm, Factory or Business

We also make and repair:

- Hay, grain and crop tarps
- Landscaping tarps and ground covers
- Tennis court and pool covers
- Commercial tarps and tents of all kinds

## Fabrics and Materials from Leading Manufacturers

We design and fit all of our tarps and covers to your exact specifications using the heaviest, most durable materials and fabrics from leading manufacturers.

- Poly, Mesh and Canvas Fabrics:
  - Cotton Duck, Nylon Mesh, Polyester Mesh, PVC Mesh, Vinyl Coated, Aluminized Fiber Glass, High-Temperature Silica Fabrics
  - Fire, Water and Sun Resistant Fabrics
- Load Restraint Systems: Rubber Tie-Downs, Ratchet Straps, Winch Straps and More

Custom Design Quality Since 1890

## Fast, Reliable Repairs Are Our Specialty

Weather and wear eventually take their toll on even the highest quality tarps and covers. That's why businesses and manufacturers all across the region call us.

We patch, stitch, seal, reinforce, re-grommet or even, if necessary, remake your tarp or cover and get it back to you on time and on budget. Your satisfaction guaranteed.

## Custom Prototype Design for Your Unique Needs

Even if it's never been made before, our design team can develop and fabricate innovative products for your unique and specific needs. In fact, we enjoy the challenge and take pride in crafting solutions for our clients that not only help them do business better but also give them a competitive edge.

*"I want you to know that your additional efforts have made me a satisfied customer and look forward to doing business with you again in the future. I most certainly will be recommending you and your firm..."* - Donald C.
